

Appl. No. 09/997,915
Supplemental Amdt. dated 05/17/2005

REMARKS

By this Amendment, Applicants have corrected a few typographical/grammatical errors in the Specification. Further, Applicants have added new Claim 33 for consideration. The added claim contains the limitations of ***determining whether a remote computer system has assigned a category to a Web page that is being bookmarked.*** Applicants believe that the added Claim 33 is allowable over the cited reference. Hence, Applicants respectfully request reconsideration, allowance and passage to issue of the claims in the application.

Respectfully submitted,
